

# SyncFit Terms of Service

Last updated: September 2025

## Introduction

These Terms of Service govern your use of the SyncFit app, provided by Arcturus Digital Consulting Limited, UK. By using SyncFit, you agree to these terms.

## Service Scope

SyncFit is a wellness and fitness scheduling app that suggests time slots for self-care and exercise based on your existing calendar availability. It is not a medical service, fitness coach, or diagnostic tool.

## Eligibility

You must be at least 18 years old to create an account and use the app.

## Accounts & Calendar Access

You must sign in with your Google account and grant calendar permissions to use SyncFit. Access is read-only for analysis and write-only for creating events you approve. You may revoke permissions at any time.

## Acceptable Use

You agree not to misuse the app, interfere with its functionality, or attempt to gain unauthorized access to services or data.

## Subscriptions & Payments

SyncFit operates on a freemium model with optional subscriptions. New users receive a 7-day free trial. After this, continued access requires a subscription at £5.99/month unless cancelled. Prices may change with notice.

## Cancellations & Refunds

Subscriptions renew automatically unless cancelled before the billing cycle ends. Cancellations can be made via your Google Play or App Store account. Refunds are handled per platform policies.

## Termination

You may delete your account at any time. We may suspend or terminate access if these terms are violated.

## Limitation of Liability

SyncFit is provided 'as is'. Arcturus Digital Consulting Limited is not liable for damages resulting from app use, including missed appointments or fitness-related injuries.

## Governing Law

These terms are governed by and construed in accordance with the laws of England and Wales.
